**EXCLUSIVE PUBLISHING AGREEMENT**

(Return form to ism2014@dfi.org)

Title of Publication: 12<sup>th</sup> International Workshop on Micropiles, Kraków, Poland, June 2014

Title of Manuscript: Hybrid Energy Micropiles in Underpinning Projects - Combination of Load Bearing Structures and Geothermal Energy Field

Author Name(s): Rauli Lautkanen, Jukka Rantala, Vesa Sarola, Heli Kanerva-Lehto

Company Name: Turun ammatti korkeakoulu

Address: Joukahaisenkatu 3, 20520 TURKU, FINLAND

- 1) The undersigned author(s), co-author(s) and copyright proprietor(s) hereby grant a perpetual, irrevocable, and royalty-free license, to Deep Foundations Institute (DFI), The International Association of Foundation Drilling (ADSC) and International Society for Micropiles (ISM) for publication and sale of the above-captioned manuscript, hereinafter "the work", in this and all subsequent editions of the work, and in derivatives, translations, or ancillaries, in all formats now known or later developed.
- 2) The undersigned represent and warrant that they are the sole author(s) and sole proprietor(s) of all rights in and to any portion of the work; that the work is original and has never been published in its present form, that it is not in the public domain; that it does not violate or infringe on any personal or property rights of others, whether common law or statutory; that it contains nothing libelous or contrary to law; and that they have full power to enter into this Agreement.
- 3) If the work was prepared as a "work made for hire" for an employer or client, this Agreement shall be signed by such employer or client as proprietor(s) of the copyright or by an authorized agent of same, in addition to being signed by the author(s). The terms of this Agreement shall be binding on the employer or client.
- 4) Ownership of the copyright in the work will remain with the author(s) and/or proprietor(s) with the provision that when reproducing the work or excerpts from it, the author(s) and/or proprietor(s) must acknowledge and reference publication in the publication mentioned above in a format acceptable to DFI, ADSC and ISM. The author(s) will retain non-exclusive rights (post-print) to post a copy of the submitted work on the author(s) own website or his/theirs employer's website, providing that an acknowledgement and reference to the publication is included.
